Saturday, 10-16-10

We're unearthing frightful fun for the entire family during the most popular festival of the year at Six Flags Great Adventure! Join us for Thrills by Day and Chills by Night! Before 6 p.m. enjoy Halloween-themed shows for kids, but after 6 p.m. when the sun begins to set, the ghouls come out to haunt the midways. Evening hours feature bone-chilling walkthrough attractions, eerie shows and teeth-chattering thrill rides.
